Take classroom management to next level with these three R's

As students return to school, some misbehavior is expected. Luckily, these three R's – relationship, routine, and reinforcement – are easy to remember and can reinforce classroom management skills that facilitate IEP implementation and improve student outcomes.

Are you seeking back to school supplies? If so, please visit the Warrior Food Court on August 6, 2026, to pick up school supplies for your student.

The graphic features a dark blue background with a light blue wave at the bottom. On the right, a rocket made of school supplies (pencils, pens, and red-handled scissors) is launching. The background is decorated with white stars, planets, and clouds. On the left, there are faint, hand-drawn sketches of a notebook, a cloud, a sun, a ruler, and scissors, along with mathematical equations like $1+1=2$, abc , and $a+b=c$.
