What is “Summer Slide” ?? Summer Slide is the learning loss/loss of academic proficiency that students can experience when out of school. One way to minimize student learning loss is to encourage reading. DoD Summer Reading Program gives you access to no cost books. For more information, please visit the link above. Once on the website please follow the steps- Register on Beanstack Mobile App, log all reading (books, email, subtitles for movies), and earn badges to compete with other individuals.

Youth Sponsorship Corner- Youth Sponsorship is available for your student. Youth Sponsorship is designed to assist students as they transition through various stages. Whether it's preparing to move, deployment, or grief etc. We have support for you through our A4L resiliency kits. Please reach out to your School Liaison at 301-295-7849 or 240-814-7729 today if you would like one.
