<b>ESSAY CONTEST</b>		<p>Naval Horizons introduces students to cutting-edge Science, Technology, Engineering and Mathematics (STEM) topics that impact the U.S. Navy and Marine Corps - to include autonomy, oceanography, cybersecurity, undersea medicine, and more. We invite students to learn about Naval STEM challenges and our scientists and engineers through this video series. Then, we encourage students to write an essay explaining how our research and our people inspire them. This contest challenges students to picture themselves in a STEM career by designing the U.S. Navy and Marine Corps of the future.</p>	

# \$200 Prize

## JUDGING

Judges will select up to 5,000 winners. Please see [RULES & INFO](#) for essay judging criteria.

## CONTEST PRIZE

All winners are eligible to receive a \$200 cash prize. Exceptional essays may be highlighted on a Naval STEM web page and will be designated Naval Horizons Highest Honors.
